(2) Each person to whom a law requires notice to be given.

17 SECTION 2. IC 4-21.5-3-7, AS AMENDED BY P.L.6-2012,
18 SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
19 UPON PASSAGE]: Sec. 7. (a) To qualify for review of a personnel
20 action to which IC 4-15-2.2 applies, a person must comply with
21 IC 4-15-2.2-42. To qualify for review of any other order described in
22 section 4, 5, or 6 of this chapter, a person must petition for review in a
23 writing that does the following:

24 (1) States facts demonstrating that:

25 (A) the petitioner is a person to whom the order is specifically
26 directed;

27 (B) the petitioner is aggrieved or adversely affected by the
28 order; or

29 (C) the petitioner is entitled to review under any law.

30 (2) Includes, with respect to determinations of notice of program
31 reimbursement and audit findings described in section 6(a)(3) and
32 6(a)(4) of this chapter, a statement of issues that includes:

33 (A) the specific findings, action, or determination of the office
34 of Medicaid policy and planning or of a contractor of the
35 office of Medicaid policy and planning from which the
36 provider is appealing;

37 (B) the reason the provider believes that the finding, action, or
38 determination of the office of Medicaid policy and planning or
39 of a contractor of the office of Medicaid policy and planning
40 was in error; and

41 (C) with respect to each finding, action, or determination of
42 the office of Medicaid policy and planning or of a contractor

of the office of Medicaid policy and planning, the statutes or rules that support the provider's contentions of error.

Not more than thirty (30) days after filing a petition for review under this section, and upon a finding of good cause by the administrative law judge, a person may amend the statement of issues contained in a petition for review to add one (1) or more additional issues.

(3) Is filed:

(A) with respect to an order described in section 4, 5, 6(a)(1), 6(a)(2), ~~or 6(a)(5)~~, **or 6(a)(7)** of this chapter, with the ultimate authority for the agency issuing the order within fifteen (15) days after the person is given notice of the order or any longer period set by statute; or

(B) with respect to a determination described in section 6(a)(3) or 6(a)(4) of this chapter, with the office of Medicaid policy and planning not more than one hundred eighty (180) days after the hospital is provided notice of the determination.

The issuance of an amended notice of program reimbursement by the office of Medicaid policy and planning does not extend the time within which a hospital must file a petition for review from the original notice of program reimbursement under clause (B), except for matters that are the subject of the amended notice of program reimbursement.

If the petition for review is denied, the petition shall be treated as a petition for intervention in any review initiated under subsection (d).

(b) If an agency denies a petition for review under subsection (a) and the petitioner is not allowed to intervene as a party in a proceeding resulting from the grant of the petition for review of another person, the agency shall serve a written notice on the petitioner that includes the following:

(1) A statement that the petition for review is denied.

(2) A brief explanation of the available procedures and the time limit for seeking administrative review of the denial under subsection (c).

(c) An agency shall assign an administrative law judge to conduct a preliminary hearing on the issue of whether a person is qualified under subsection (a) to obtain review of an order when a person requests reconsideration of the denial of review in a writing that:

(1) states facts demonstrating that the person filed a petition for review of an order described in section 4, 5, or 6 of this chapter;

(2) states facts demonstrating that the person was denied review without an evidentiary hearing; and

(3) is filed with the ultimate authority for the agency denying the review within fifteen (15) days after the notice required by subsection (b) was served on the petitioner.

Notice of the preliminary hearing shall be given to the parties, each person who has a pending petition for intervention in the proceeding, and any other person described by section 5(d) of this chapter. The resulting order must be served on the persons to whom notice of the preliminary hearing must be given and include a statement of the facts and law on which it is based.

(d) If a petition for review is granted, the petitioner becomes a party to the proceeding and the agency shall assign the matter to an administrative law judge or certify the matter to another agency for the assignment of an administrative law judge (if a statute transfers responsibility for a hearing on the matter to another agency). The agency granting the administrative review or the agency to which the matter is transferred may conduct informal proceedings to settle the matter to the extent allowed by law.

Sec. 1. Except as provided in section 2(g) of this chapter, after June 30, 2015, a person may not enter into, or offer to enter into, a CPAP transaction with a consumer claimant, or otherwise

engage in business as a CPAP provider:

- (1) except as authorized by this article; and
- (2) unless the person first receives a certificate of registration from the department under this chapter.

Sec. 2. (a) An applicant for a certificate of registration under this chapter shall file an application with the department in the form and manner prescribed by the director. An application form prescribed by the director under this chapter must require the applicant to provide the information that the director determines is necessary to evaluate the character and fitness of the applicant.

(b) The department may issue a certificate of registration under this chapter if the department finds that an applicant's business will be operated honestly and fairly within the purposes of this article. If the department denies an application under this chapter, the director shall provide to the applicant a written notice stating that the application has been denied and setting forth the reasons for the denial. In rules adopted under:

- (1) section 4 of this chapter; or
- (2) IC 24-4.3-5-5;

the department may set forth circumstances under which a certificate issued under this chapter may be revoked or suspended for cause, including the failure of any applicant or certificate holder to pay an application fee or a renewal fee described in subsection (f). A notice of a denial, revocation, or suspension issued by the department under this subsection is effective in accordance with IC 4-21.5-3-6(d).

(c) Upon written request, an applicant for a certificate of registration under this chapter is entitled to an administrative review, in the manner provided in IC 4-21.5, of the issue of the applicant's qualifications for a certificate of registration under this chapter if either of the following applies:

- (1) The director provides to the applicant a written notice that the applicant's application has been denied, as described in subsection (b), and the applicant files a timely request for a review under IC 4-21.5-3-7.
- (2) The department does not issue a decision on the applicant's application not later than sixty (60) days after the date the application is filed, and the applicant files a request for an administrative review in accordance with the procedures set forth in IC 4-21.5-3-7 not later than seventy-five (75) days after the date the application is filed.

(d) A certificate of registration issued by the department under

1 this chapter must be renewed with the department on the dates and
 2 in the manner and form prescribed by the director, but not less
 3 frequently than every two (2) years.

4 (e) If, at any time, any information contained in:

5 (1) an initial application under subsection (a); or

6 (2) a renewal form or application under subsection (d);

7 is or becomes inaccurate or incomplete in a material respect, the
 8 applicant or registered CPAP provider promptly shall file a
 9 correcting amendment with the department in the form and
 10 manner prescribed by the director.

11 (f) The department may establish, in an amount fixed by the
 12 department under IC 28-11-3-5, either of the following to cover the
 13 department's expenses in administering this article:

14 (1) An application fee that an applicant must submit with an
 15 initial application under subsection (a).

16 (2) A renewal fee that a registered CPAP provider must
 17 submit with a renewal form or application under subsection
 18 (d).

19 The department may impose a fee under IC 28-11-3-5 for each day
 20 that an application fee or a renewal fee, or any related documents
 21 that are required to be submitted with an initial application or a
 22 renewal application, are delinquent.

23 (g) Notwithstanding subsection (a), a person that:

24 (1) before May 13, 2015, enters into one (1) or more CPAP

 30 to the department after June 30, 2015, and before January 1,
 31 2016;

32 may enter into, or offer to enter into, a CPAP transaction with a
 33 consumer claimant, or otherwise engage in business as a CPAP
 34 provider, while the person's application for registration under this
 35 chapter is pending with the department. However, if the
 36 department denies the person's application under this chapter, the
 37 person may not enter into, or offer to enter into, any new CPAP
 38 transaction during the period beginning on the effective date of the
 39 department's denial under subsection (b) and ending on the
 40 effective date of any certificate of registration subsequently issued
 41 to the person by the department under this chapter, subject to the
 42 person's right to a review under subsection (c) and to any right to

1 a stay or an appeal of the denial available under IC 4-21.5. A
 2 CPAP transaction entered into by the person before the effective
 3 date of the department's denial under subsection (b) is not subject
 4 to this article, and a CPAP contract entered into by the person and
 5 a consumer claimant before the effective date of the department's
 6 denial under subsection (b) remains in effect according to its terms,
 7 notwithstanding the division's denial of an application described in
 8 subdivision (2).

9 Sec. 3. (a) Each application for a certificate of registration
 10 under section 2 of this chapter must be accompanied by proof that
 11 the applicant has executed a surety bond in accordance with this
 12 section.

13 (b) A surety bond issued under this section must:

- 14 (1) be in a form prescribed by the director;
- 15 (2) be in effect during the term of the certificate of
- 16 registration issued under this chapter;
- 17 (3) be payable to the department for the benefit of:
- 18 (A) the state; and
- 19 (B) consumer claimants who enter into a CPAP transaction
- 20 with the CPAP provider;
- 21 (4) be in an amount determined by the director, but not
- 22 greater than fifty thousand dollars (\$50,000); and
- 23 (5) have payment conditioned upon the CPAP provider's or
- 24 any of the CPAP provider's employees' or agents'
- 25 noncompliance with or violation of this article or other
- 26 applicable federal or state laws or regulations.

27 (c) Beginning with the first renewal of a certificate of
 28 registration under this chapter, for each renewal period that a
 29 registered CPAP provider continues to engage in business as a
 30 CPAP provider in connection with any civil proceedings, the
 31 registered CPAP provider shall file a new or an additional surety
 32 bond in an amount that ensures that the registered CPAP
 33 provider's surety bond under this section is equal to the amount
 34 determined by the director under subsection (b)(4).

35 (d) If the principal amount of a surety bond required under this
 36 section is reduced by payment of a claim or judgment, the
 37 registered CPAP provider for whom the bond is issued shall
 38 immediately notify the director of the reduction and, not later than
 39 thirty (30) days after notice by the director, file a new or an
 40 additional surety bond in an amount set by the director. The
 41 amount of the new or additional bond set by the director must be
 42 at least the amount of the bond before payment of the claim or

1 judgment.

2 (e) If for any reason a surety terminates a bond issued under
3 this section, the registered CPAP provider shall immediately notify
4 the department and file a new surety bond in the amount
5 determined by the director under subsection (b)(4).

6 (f) Cancellation of a surety bond issued under this section does
7 not affect any liability incurred or accrued during the period when
8 the surety bond was in effect.

9 (g) The director may obtain satisfaction from a surety bond
10 issued under this section if the director incurs expenses, issues a
11 final order, or recovers a final judgment under this chapter.

12 Sec. 4. (a) The department may adopt rules under IC 4-22-2,
13 including emergency rules adopted in the manner provided by
14 IC 4-22-2-37.1, to implement this chapter. Rules or emergency
15 rules adopted by the department under this section must take effect
16 by a date that will enable a person to apply to the department for
17 a certificate of registration under this chapter beginning July 1,
18 2015.

19 (b) Notwithstanding IC 4-22-2-37.1(g), an emergency rule
20 adopted by the department in the manner provided by
21 IC 4-22-2-37.1 to implement this chapter expires on the date a rule
22 that supersedes the emergency rule is adopted by the department
23 under IC 4-22-2-24 through IC 4-22-2-36.

24 Chapter 3. Contract Requirements and Disclosures

25 Sec. 1. (a) Before presenting a CPAP contract to a consumer
26 claimant for the consumer claimant's signature, a CPAP provider
27 shall ensure that the CPAP contract:

28 (1) is complete;

29 (2) has been filled in to include all amounts, dates, names,
30 terms, provisions, and information specific to the CPAP
31 contract, the CPAP provider, the consumer claimant, and the
32 consumer claimant's civil proceeding; and

33 (3) meets the requirements of this chapter, including the
34 disclosure requirements set forth in section 2 of this chapter.

35 (b) Each page of a CPAP contract must include the initials of the
36 consumer claimant.

37 (c) If a consumer claimant is represented by an attorney in the
38 civil proceeding on which a CPAP transaction is based, the CPAP
39 contract must contain a written acknowledgment by the attorney
40 that attests to the following:

41 (1) That to the best of the attorney's knowledge, all costs and
42 charges relating to the CPAP transaction have been disclosed

1 to the consumer claimant.

2 (2) That the attorney is being paid by the consumer claimant
3 on a contingency basis under a written fee agreement.

4 (3) That all proceeds of the civil proceeding will be disbursed
5 through:

6 (A) a trust account of the attorney; or

7 (B) a settlement fund established to receive the proceeds of
8 the civil proceeding on behalf of the consumer claimant.

9 (4) That the attorney is following the instructions of the
10 consumer claimant with respect to the CPAP transaction.

11 (5) That the attorney:

12 (A) has not received a referral fee or other consideration
13 from the CPAP provider; and

14 (B) agrees not to receive a referral fee or other
15 consideration from the CPAP provider at any time;

16 in connection with the CPAP transaction.

17 If the attorney retained by the consumer claimant in the consumer
18 claimant's civil proceeding does not complete the acknowledgment
19 required by this subsection, the CPAP contract, and the CPAP
20 transaction to which it pertains, are void. However, the CPAP
21 contract, and the CPAP transaction to which it pertains, remain
22 valid and enforceable if the consumer claimant or the attorney
23 terminates the representation. If, after the termination, the
24 consumer claimant retains a new attorney in connection with the
25 consumer claimant's civil proceeding, the new attorney must
26 complete an acknowledgment under this subsection for the CPAP
27 contract, and the CPAP transaction to which it pertains, to remain
28 valid and enforceable.

29 (d) A CPAP contract shall be executed in duplicate. Upon
30 execution of the CPAP contract, the CPAP provider shall:

31 (1) furnish one (1) duplicate original and at least one (1) copy
32 of the CPAP contract to the consumer claimant; and

33 (2) retain for the CPAP provider's records one (1) duplicate
34 original and at least one (1) copy of the CPAP contract.

35 (e) A CPAP provider may not use any CPAP contract form,
36 other than a standard CPAP contract form prescribed by the
37 department in rules adopted by the department under section 3 of
38 this chapter, in connection with a civil proceeding unless the
39 department first approves the CPAP contract form.

40 Sec. 2. (a) A CPAP contract must include the disclosures set
41 forth in this section. The disclosures required by this section:

42 (1) constitute material terms of the CPAP contract; and

1 (2) must:

2 (A) be set forth in at least 12 point boldface type and
3 comply with any other typeface or stylistic specifications
4 set forth in this section; and

5 (B) be placed clearly and conspicuously within the
6 contract.

7 (b) The front page of a CPAP contract must include, under
8 appropriate headings, language specifying the following:

9 (1) The funded amount to be paid to the consumer claimant
10 by the CPAP provider.

11 (2) The funding date.

12 (3) An itemization of all charges, whether assessed one (1)
13 time or on a recurring basis, that are payable or assignable by
14 the consumer claimant to the CPAP provider. For each
15 charge listed, the CPAP provider shall identify whether the
16 charge:

17 (A) is to be assigned by the consumer claimant to the
18 CPAP provider from the proceeds, if any, of the consumer
19 claimant's civil proceeding; or

20 (B) is otherwise payable by the consumer claimant to the
21 CPAP provider.

22 Charges described in clause (A) must be included in the
23 payment schedule described in subdivision (5). For charges
24 described in clause (B), the CPAP provider shall set forth a
25 separate payment schedule identifying the dates and amounts
26 due.

27 (4) An identification of the following amounts to be assigned
28 by the consumer claimant to the CPAP provider if the
29 resolution of the consumer claimant's civil proceeding results
30 in proceeds to the consumer claimant:

31 (A) The funded amount.

32 (B) The contract amount. In identifying the contract
33 amount under this clause, it is sufficient for the CPAP
34 provider to identify the method, formula, or multiplier (as
35 required by IC 24-4.3-4-2(1)(A)) by which the contract
36 amount will be determined as of the date on which the
37 CPAP provider receives payment from the proceeds of the
38 consumer claimant's civil proceeding.

39 (5) For amounts assignable by the consumer claimant to the
40 CPAP provider from the proceeds of the consumer claimant's
41 civil proceeding (including the funded amount, the contract
42 amount, and any applicable charges), a payment schedule that

1 lists:

2 (A) the dates; and

3 (B) the amounts assignable by the consumer claimant to
4 the CPAP provider as of each date listed (regardless of
5 whether and when such amounts are actually paid or
6 assigned, depending on the outcome of the consumer's civil
7 proceeding and the date on which any proceeds from the
8 civil proceeding become available for disbursement);

9 beginning with the date that is one hundred eighty (180) days
10 after the funding date, continuing every one hundred eighty
11 (180) days thereafter, and ending with the date the amounts
12 are actually paid or assigned to the CPAP provider, as
13 required by IC 24-4.3-4-2(1)(B).

14 (c) A CPAP contract must contain, in text that is surrounded by
15 a box, a statement setting forth a right of rescission that allows the
16 consumer claimant to cancel the contract without penalty or
17 further obligation if the consumer claimant does either of the
18 following:

19 (1) Not later than five (5) days after the funding date, returns
20 to the CPAP provider the full funded amount by hand
21 delivering the CPAP provider's uncashed check to the CPAP
22 provider's business location.

23 (2) Mails, to the address specified in the CPAP contract and
24 by insured, certified, or registered United States mail:

25 (A) a notice of cancellation; and

26 (B) the full funded amount, in the form of:

27 (i) the CPAP provider's uncashed check;

28 (ii) a registered or certified check; or

29 (iii) a money order;

30 in a mailing that is postmarked not later than five (5) days
31 after the funding date.

32 (d) A CPAP contract must contain, in text that is printed in all
33 capital letters and surrounded by a box, the following statement:

34 "THE FUNDED AMOUNT (or other term used by the CPAP
35 provider in the CPAP contract), THE CONTRACT

7 you should obtain the advice of an attorney. Depending on
8 your circumstances, you may want to consult an accountant,
9 a tax consultant, a public or private benefits planning
10 professional, or a financial professional. By signing this
11 contract, you acknowledge that if you are represented by an
12 attorney in your civil proceeding, your attorney has provided
13 no tax, accounting, public or private benefits planning, or
14 financial advice concerning this transaction between you and
15 (insert name of CPAP provider).".

16 Sec. 3. (a) The department may adopt rules under IC 4-22-2,
17 including emergency rules adopted in the manner provided by
18 IC 4-22-2-37.1, to implement this chapter. In adopting rules or
19 emergency rules under this section, the department may prescribe
20 a standard CPAP contract form that complies with this chapter for
21 use by CPAP providers in entering into CPAP transactions with
22 consumer claimants. Rules or emergency rules adopted by the
23 department to prescribe a standard CPAP contract form must take
24 effect by a date that will enable such a form to be available to
25 CPAP providers beginning July 1, 2015.

26 (b) Notwithstanding IC 4-22-2-37.1(g), an emergency rule
27 adopted by the department in the manner provided by
28 IC 4-22-2-37.1 to implement this chapter expires on the date a rule
29 that supersedes the emergency rule is adopted by the department
30 under IC 4-22-2-24 through IC 4-22-2-36.

31 Chapter 4. Requirements and Prohibitions

32 Sec. 1. A CPAP provider shall transfer the funded amount to a
33 consumer claimant not later than the funding date, as set forth in
34 the CPAP contract, by one (1) of the following means:

35 (1) Personal delivery.

36 (2) Wire, automated clearing house, or other electronic
37 means.

38 (3) Insured, certified, or registered United States mail.

39 Sec. 2. Subject to section 3 of this chapter, the contract amount
40 in a CPAP transaction:

41 (1) must be calculated as a predetermined amount:

42 (A) according to a method, formula, or multiplier

determined by the CPAP provider, as described in IC 24-4.3-3-2(b)(4)(B); and

(B) based on one hundred eighty (180) day intervals measured from the funding date through the date of assignment to the CPAP provider, as described in IC 24-4.3-3-2(b)(5);

(2) may be based on, or determined as a percentage of, the funded amount; and

(3) may not be determined as a percentage of the consumer claimant's recovery from the consumer claimant's civil proceeding.

Sec. 3. (a) Regardless of the contract amount that results from the calculation described in section 2(1) of this chapter, a CPAP provider may not assess or collect, with respect to any one (1) CPAP transaction, a contract amount that exceeds twenty-five percent (25%) of the funded amount.

(b) A CPAP provider may not:

(1) structure a CPAP transaction arising from the same civil proceeding:

(A) as more than one (1) transaction; or

(B) in any other manner; or

(2) impose any charges under the CPAP contract, whether assignable from the proceeds of the consumer claimant's civil proceeding or otherwise payable to the CPAP provider, in an amount that:

(A) exceeds any amount, percentage, limit, or cap concerning charges and prescribed by the department in rules adopted under section 7 of this chapter; or

(B) grossly exceeds the value of the services provided or costs incurred by the CPAP provider in consideration of the charges;

for the purpose of avoiding the prohibition set forth in subsection (a).

Sec. 4. (a) Subject to IC 24-4.3-3-2(e)(1) and except as otherwise provided in a CPAP contract and agreed to by a consumer claimant and the consumer claimant's attorney, a contingent right to receive a share of the potential proceeds of a consumer claimant's civil proceeding (whether the proceeds result from a judgment, a settlement, or some other resolution) may be sold, assigned, pledged, or transferred by the consumer claimant.

(b) Subject to IC 24-4.3-3-2(e)(2) and except as otherwise provided in a CPAP contract and agreed to by a consumer

claimant and the consumer claimant's attorney, a CPAP provider's rights and obligations under a CPAP contract may be sold, assigned, pledged, or transferred by the CPAP provider.

(c) A CPAP provider's right to receive a share of the potential proceeds of a consumer claimant's civil proceeding is subordinate only to any:

- (1) attorney's lien;
- (2) medical liens; or
- (3) statutory liens;

related to the consumer claimant's civil proceeding. All other liens take priority according to when they attach or by normal operation of law.

Sec. 5. A CPAP provider may not do any of the following:

(1) Pay or offer to pay any:

- (A) attorney or law firm;
- (B) medical or health care provider;
- (C) chiropractor; or
- (D) physical therapist or occupational therapist;

or any of their employees, for referring a consumer claimant to the CPAP provider or the CPAP provider's business.

(2) Accept any commissions, referral fees, rebates, or other forms of consideration from any:

- (A) attorney or law firm;
- (B) medical or health care provider;
- (C) chiropractor; or
- (D) physical therapist or occupational therapist;

or any of their employees, in connection with a CPAP transaction or a potential CPAP transaction.

(3) Advertise or communicate in Indiana any materially false or misleading information concerning the CPAP provider's products and services, whether such an advertisement or communication is by mail, brochure, telephone, print, radio, television, the Internet, or electronic means.

(4) Refer, in connection with a CPAP transaction, a consumer claimant to any:

- (A) attorney or law firm;
- (B) medical or health care provider;
- (C) chiropractor; or
- (D) physical therapist or occupational therapist;

or any of their employees. However, if a consumer claimant who has consulted the CPAP provider or entered into a CPAP transaction with the CPAP provider needs legal

representation in connection with the consumer claimant's civil proceeding or the CPAP transaction, the CPAP provider may refer the consumer claimant to a local or state bar association's attorney referral service.

(5) Knowingly enter into a CPAP transaction with a consumer claimant who has previously entered into a CPAP transaction with another CPAP provider in connection with the same civil proceeding, unless the second CPAP provider first pays to, or purchases from, the original CPAP provider:

(A) any outstanding amounts (including the funded amount, the contract amount, and any charges) under the first CPAP provider's CPAP contract with the consumer claimant; or

(B) any other amount agreed to by the CPAP providers; except as otherwise prohibited in the CPAP contract between the original CPAP provider and the consumer claimant. However, two (2) or more CPAP providers may agree to contemporaneously enter into CPAP transactions with a consumer claimant in connection with the same civil proceeding, if the consumer claimant and the consumer claimant's attorney consent in writing to the arrangement.

(6) Make, or receive the right to make, any decisions with respect to the conduct, settlement, or resolution of a consumer claimant's civil proceeding. However, a CPAP provider may request from a consumer claimant or the consumer claimant's attorney periodic updates or other information concerning the consumer claimant's civil proceeding, if the nature, timing, and frequency of the requests:

(A) are set forth in the CPAP contract, as required by IC 24-4.3-3-2(f); and

(B) are not such as to be harassing to the consumer claimant or the consumer claimant's attorney.

A CPAP provider's right to request updates or other information under this subdivision does not limit, waive, or abrogate the scope or nature of, and is subject to, any applicable statutory or common law privilege, including the work product doctrine or the attorney client privilege.

(7) Pay or offer to pay for court costs, filing fees, or attorney's fees in connection with a consumer claimant's civil proceeding using funds from the CPAP transaction or any other funds.

Sec. 6. (a) An attorney or a law firm retained by a consumer claimant in a civil proceeding on which a CPAP transaction is

1 based may not have a financial interest in the CPAP provider that
2 enters into the CPAP transaction with the consumer claimant.

3 (b) An attorney or a law firm that refers a consumer claimant
4 to the attorney or law firm retained by a consumer claimant in a
5 civil proceeding on which a CPAP transaction is based may not
6 have a financial interest in the CPAP provider that enters into the
7 CPAP transaction with the consumer claimant.

8 Sec. 7. (a) The department may adopt rules under IC 4-22-2,
9 including emergency rules adopted in the manner provided by
10 IC 4-22-2-37.1, to implement this chapter. In adopting rules or
11 emergency rules under this section, the department may set caps
12 or other limits on the charges that a CPAP provider may impose
13 for specified services provided, or costs incurred, by a CPAP
14 provider under a CPAP contract, as described in section 3(b)(2) of
15 this chapter.

16 (b) Notwithstanding IC 4-22-2-37.1(g), an emergency rule
17 adopted by the department in the manner provided by
18 IC 4-22-2-37.1 to implement this chapter expires on the date a rule
19 that supersedes the emergency rule is adopted by the department
20 under IC 4-22-2-24 through IC 4-22-2-36.

21 Chapter 5. Violations

22 Sec. 1. For purposes of this chapter, a violation of, or
23 compliance with, this article includes a violation of, or compliance
24 with:

- 25 (1) the provisions set forth in this article;
- 26 (2) rules adopted by the department under this article;
- 27 (3) any policy, guidance document, or order adopted or issued
28 by the department in connection with this article; or
- 29 (4) any other state or federal law, regulation, or rule
30 applicable to CPAP transactions or CPAP providers.

31 Sec. 2. (a) The department may examine the books, accounts,
32 and records of a CPAP provider and may make investigations to
33 determine compliance with this article.

34 (b) A CPAP provider shall pay all reasonably incurred costs of
35 an examination under this section in accordance with the fee
36 schedule adopted under IC 28-11-3-5. A fee established by the
37 department under IC 28-11-3-5 may be charged for each day a fee
38 under this section is delinquent.

39 (c) To discover violations of this article or to secure information
40 necessary for the enforcement of this article, the department may
41 investigate any:

- 42 (1) CPAP provider that holds a registration certificate under

1 this article; or

2 (2) person that the department suspects to be operating as a
3 CPAP provider in Indiana:

4 (A) without a certificate of registration; or

5 (B) otherwise in violation of this article.

6 The department has all investigatory and enforcement authority
7 under this chapter that the department has under IC 28-11 with
8 respect to financial institutions. If the department conducts an
9 investigation under this section, the registered CPAP provider or
10 other person investigated shall pay all reasonably incurred costs of
11 the investigation in accordance with the fee schedule adopted
12 under IC 28-11-3-5.

13 (d) If a CPAP provider contracts with an outside vendor to
14 provide a service that would otherwise be undertaken internally by
15 the CPAP provider and be subject to the department's routine
16 examination procedures, the person that provides the service to the
17 CPAP provider shall, at the request of the director, submit to an
18 examination by the department. If the director determines that an
19 examination under this subsection is necessary or desirable, the
20 examination may be made at the expense of the person to be
21 examined. If the person to be examined under this subsection
22 refuses to permit the examination to be made, the director may
23 order any CPAP provider that receives services from the person
24 refusing the examination to:

25 (1) discontinue receiving one (1) or more services from the
26 person; or

27 (2) otherwise cease conducting business with the person.

28 Sec. 3. (a) If the department determines that a reasonable belief
29 exists that a person is operating without a valid certificate of
30 registration or in violation of this article, the department may
31 investigate the person.

32 (b) If a person knowingly acts as a CPAP provider without a
33 certificate of registration required by IC 24-4.3-2, any resulting
34 CPAP contract or CPAP transaction entered into by the CPAP
35 provider and a consumer claimant is void and the consumer
36 claimant is not required to pay to the CPAP provider any amounts
37 in connection with the CPAP contract or CPAP transaction,
38 including the funded amount, the contract amount, or any charges.
39 If the consumer claimant has paid to the CPAP provider any
40 amounts in connection with the CPAP contract or CPAP
41 transaction, the consumer claimant, or the department on behalf
42 of the consumer claimant, is entitled to recover the amounts from

1 the CPAP provider.

2 Sec. 4. (a) If the department determines, after notice and an
3 opportunity to be heard, that a person has violated this article, the
4 department may, in addition to or instead of all other remedies
5 available under this article, impose upon the person a civil penalty
6 not greater than ten thousand dollars (\$10,000) for each violation.

7 (b) In addition to or instead of imposing a civil penalty under
8 subsection (a), the department may bring a civil action against a
9 person for violating this article.

10 (c) In an action brought under subsection (b), if the court finds
11 that the defendant is guilty of violating this article, the court may
12 assess a civil penalty not to exceed five thousand dollars (\$5,000)
13 for each violation.

14 (d) Civil penalties collected under this section shall be deposited
15 into the financial institutions fund established by IC 28-11-2-9.

16 Sec. 5. (a) The department may adopt rules under IC 4-22-2,
17 including emergency rules adopted in the manner provided by
18 IC 4-22-2-37.1, to implement this chapter.

19 (b) Notwithstanding IC 4-22-2-37.1(g), an emergency rule
20 adopted by the department in the manner provided by
21 IC 4-22-2-37.1 to implement this chapter expires on the date a rule
22 that supersedes the emergency rule is adopted by the department
23 under IC 4-22-2-24 through IC 4-22-2-36.
